X/C Skiing:

The Meadow: A perfect spot to practice your x/c skiing.

Mountain Home Rd: Great for gentle climbs and great views. Go for the picnic table, the big pay off for a great view.

Albertson Rd: Enter from Mountain Home Rd, gentle climb to the Overlook Loop. Careful coming down to the Lodge on the Overlook Loop, its narrow.

Snow Shoeing:

Overlook Loop: Great for a short (1-1/2 hour snowshoe). Consider going out the Ridge Ride Trail to the Lookouts.

Wapiti Way: A snow shoers delight, best to travel the loop in a counter clockwise direction, be careful descending down the front side.

Ridge Ride: Lots of whoop-de-do's great for snow shoeing.

Canyon Crest: Nice trail to connect to Boundary Butte. For most this is a day trek.
