Trail Description

If you have enough M&Ms with you, you can probably coax your kids up this steep but short trail. The lake is surrounded by thick forest and brambles. There are no views to speak of. The lake can be crowded during the summer season with hikers and people pretending to catch fish. From the Glacier View Campground, find the signs to the Hidden Lake Trail.

Driving Directions

From Leavenworth, start your odometer after you pass the gas station on the corner of Icicle Road and Highway 2 West. Drive 14.5 miles on Hwy 2 West and take a right on route #207 following signs to Lake Wenatchee/Fish Lake Recreation Area (or if traveling from Stevens Pass go 20.2 miles and take a left on #207). Follow #207. At 3.6 miles turn left on Cedar Brae Road (follow the signs to Nason Creek Campground). At 4 miles Cedar Brae Road turns left. Stay on Cedar Brae Road and at 9 miles you will come to Glacier View Campground (the last two miles are on a dirt road). Park here.
