## Trail Description

Great views will accompany you as you travel this dirt road up through logged portions of the forest. The lack of trees in sections create spectacular vistas to of the Cascade Mountains and Glacier Peak. Go left out of the parking area following road #111. In 2 miles go left onto (road #6304) at the intersection. Continue on the main road (ignore the spurs) and at 4.3 miles you will come to a high point. As you start to descend from this high point go left on an unmarked spur trail to the left. Follow to a gravel road #111 (unmarked) and go left. As you pass a gate stay on the main road until you reach an intersection and go left on road #6305. Enjoy the downhill for 3.5 miles and go left on road #111 (this turn off is not very distinguishable, you know you've gone too far if you arrive at the paved road #6300).

## Driving Directions

From Leavenworth, start your odometer after you pass the gas station on the corner of Icicle Road and Highway 2 West. Drive 14.5 miles on Hwy 2 West and take a right on route #207 following signs to Lake Wenatchee/Fish Lake Recreation Area (or if traveling from Stevens Pass go 20.2 miles and take a left on #207). Go 4.4 miles on #207 and, after crossing cross the Wenatchee River, veer right on Chiwawa River Road. Soon you will pass Midway Store. About a half mile past the store go left at Meadow Creek Road (road #62). Follow for 2.3 miles and go left on road #6300. Follow 2.1 miles and go left on road #6305. Follow for 0.3 miles and go right on road #111. Pass the gate and in 0.2 miles park at the pullout on the left.
