...1000 Feet Closer To Heaven

Mountain Home Lodge offers an ideal site for small group conferences and meetings. It offers an exceptional location and full service facility. Corporate clients such as AT&T Wireless, Wenatchee Valley Clinic, Proctor & Gamble, Chelan County PG&E and Microsoft teams have found the Lodge to be perfect for blending working and playing into their conferences and staff workshops. Facilitators commend us on the privacy and professionalism offered to their clients benefiting their training process with valuable time and energy.

Each of our ten guest rooms in the Lodge, and the two separate Cabins are uniquely appointed in a NW Lodge Decor featuring hand-made quilts, peeled pine or vine maple furniture by local craftsmen, complimentary port wine and binoculars to view the wildlife and scenery surrounding the Lodge. The nightly price per cabin or room on the rate card is for double occupancy and is dependent upon the view from the room and date reserved. A few rooms can accommodate an additional twin bed as well. The room rates in the "summer" months include breakfast, with lunch and dinner offered at ones option. Our "winter" rates include all meals, as our guests are snowbound on the mountain with us!

A brief description follows of the Lodge and some of the amenities to enjoy right here and in our area. The Lodge is 2.5 miles and a 1000' above the quaint village of Leavenworth on a primitive dirt road. It sits on a 20 acre rolling meadow situated against the majestic Cascades with their elevations of 5000-9000'. It is a spectacular setting! The Lodge is a destination resort offering numerous activities and full services.

In the summer months our guests enjoy over 40 miles of hiking and mountain biking trails leading directly from the Lodge into the Wenatchee National Forest which surrounds us. Our heated swimming pool is also open in the summer. We have a lighted tennis court, volleyball, horseshoes, and croquet to name a few of the fun things to do right here at the Lodge. Our video room has over 100 titles to choose from in a "surround sound" system for evening enjoyment as well. The outdoor hot tub under the stars is open year round and is great for relaxing in after a long day of "meetings". We are happy to assist you with reservations for golf, horseback riding, rafting and other excursions available in the upper valley.

In the wintertime, the Lodge is only accessible by snowcat or our specially equipped passenger van. You really feel that you are in another world up here, removed from the hustle and bustle of city life! As mentioned earlier, the winter room rates include all gourmet meals. In addition, winter rates include the use of our extensive winter activities and equipment including back country x/c skiing and snowshoeing on 40 miles of trails and sledding on our 1,700' toboggan hill. We also offer fantastic guided snowmobile tours for an additional charge through the unbelievable pristine scenery of the Cascades!

*...1000 Feet Closer To Heaven*

The cuisine offered at the Lodge is high end dining served in a comfortable atmosphere. Our evening dinner for example, begins with complimentary fine wines & micro brewed beers with appetizers and then a three to four course meal is served to your private table. Our chef is happy to design meals that best fit your groups palates and desires.

If you have any additional questions or wish to inquire about availability, please do not hesitate to call us. Thank you again for your interest in the Lodge. We hope to meet you one day.

# MOUNTAIN HOME LODGE

...1000 Feet Closer To Heaven

Mountain Home Lodge offers an ideal site for small group conferences and meetings. It offers an exceptional location and full service facility. Corporate clients such as AT&T Wireless, Wenatchee Valley Clinic, Proctor & Gamble, Chelan County PG&E and Microsoft teams have found the Lodge to be perfect for blending working and playing into their conferences and staff workshops. Facilitators commend us on the privacy and professionalism offered to their clients benefiting their training process with valuable time and energy.

Each of our ten guest rooms in the Lodge, and the two separate Cabins are uniquely appointed in a NW Lodge Decor featuring hand-made quilts, peeled pine or vine maple furniture by local craftsmen, complimentary port wine and binoculars to view the wildlife and scenery surrounding the Lodge. The nightly price per cabin or room on the rate card is for double occupancy and is dependent upon the view from the room and date reserved. A few rooms can accommodate an additional twin bed as well. The room rates in the "summer" months include breakfast, with lunch and dinner offered at ones option. Our "winter" rates include all meals, as our guests are snowbound on the mountain with us!

A brief description follows of the Lodge and some of the amenities to enjoy right here and in our area. The Lodge is 2.5 miles and a 1000' above the quaint village of Leavenworth on a primitive dirt road. It sits on a 20 acre rolling meadow situated against the majestic Cascades with their elevations of 5000-9000'. It is a spectacular setting! The Lodge is a destination resort offering numerous activities and full services.

In the summer months our guests enjoy over 40 miles of hiking and mountain biking trails leading directly from the Lodge into the Wenatchee National Forest which surrounds us. Our heated swimming pool is also open in the summer. We have a lighted tennis court, volleyball, horseshoes, and croquet to name a few of the fun things to do right here at the Lodge. Our video room has over 100 titles to choose from in a "surround sound" system for evening enjoyment as well. The outdoor hot tub under the stars is open year round and is great for relaxing in after a long day of "meetings". We are happy to assist you with reservations for golf, horseback riding, rafting and other excursions available in the upper valley.

In the wintertime, the Lodge is only accessible by snowcat or our specially equipped passenger van. You really feel that you are in another world up here, removed from the hustle and bustle of city life! As mentioned earlier, the winter room rates include all gourmet meals. In addition, winter rates include the use of our extensive winter activities and equipment including back country x/c skiing and snowshoeing on 40 miles of trails and sledding on our 1,700' toboggan hill. We also offer fantastic guided snowmobile tours for an additional charge through the unbelievable pristine scenery of the Cascades!

The cuisine offered at the Lodge is high end dining served in a comfortable atmosphere. Our evening dinner for example, begins with complimentary fine wines & micro brewed beers with appetizers and then a three to four course meal is served to your private table. Our chef is happy to design meals that best fit your groups palates and desires.

If you have any additional questions or wish to inquire about availability, please do not hesitate to call us. Thank you again for your interest in the Lodge. We hope to meet you one day.

Sincerely,
